

StarLyte Sound LLC

Subscription Plan Details

Term

1-year annual commitment (with select billing options) from the date in which your access to our catalog has been granted and payment has been received. Music used within each completed project during the active subscription Term may continue to be used within its respective project in perpetuity. Subscription plans automatically renew, unless you cancel.

Territory

The Territory describes the geographic location(s) in which you are permitted to use our music within your projects. Territory Coverage is plan-specific. Reference **Exhibit A** below for details.

Number of Projects Allowed

Unlimited

Media/Distribution

All media/distribution methods available within the permitted Territory for your Plan, PLUS all major social media platforms hosting user-generated content (Facebook, Instagram, Twitter, LinkedIn, YouTube, Vimeo, etc.). DOES NOT INCLUDE TARGETED/PAID ADVERTISING ON SOCIAL MEDIA unless such targeted posts fall within the Territory.

Catalog Access

Full access

Cancellation Policy

Cancel any time. Please reference our Subscription Terms of Service for details regarding early cancellations for members on a monthly or quarterly billing plan.

Refund Policy

Subscription plans are non-refundable.

Reporting of Music Use:

Customers must submit a music CUE SHEET for each finalized project to StarLyte Sound within 30 days of completion. This is important because cue sheets will be used to provide appropriate payment to composers for your use of their music! Please provide cue sheets promptly within 30 days after your productions have been finalized using the provided “Cue Sheets” templates within the catalog.

Please review our Subscription Terms of Service for more details.

Exhibit A: Plan-Specific Territory Coverage

Subscription Plan	Territory	Territory Description
Basic Plan	LOCAL	For use/synchronization within a particular county, borough, parish, city, or town(ship) (“LOCALITY”) of choice within the United States of America PLUS the entirety of all surrounding LOCALITIES falling within a fixed 30-mile radius (~2825 sq. miles) from the center point of your selected LOCALITY within the United States of America or US-owned territories.
Standard Plan	STATEWIDE	For use/synchronization within one (1) particular US state or US-owned territory.
Plus Plan	REGIONAL	For use/synchronization within one (1) particular US region, consisting of multiple states and/or US-owned territories.
Premium Plan	NATIONAL	For use/synchronization anywhere within the continental United States + US-owned territories + Canada, or select countries.
Pro Plan	GLOBAL	For use/synchronization anywhere on Earth.
Enterprise Plan	UNIVERSAL	For use/synchronization anywhere in the universe.
